

## **Casey's Partners with Uber Eats to Provide Expanded Delivery Options to over 750 Stores - Partnership provides additional delivery option for Casey's famous pizza, grocery and household items to suburban and rural communities**

May 27, 2021

ANKENY, Iowa (May 27, 2021) – Today, [Casey's](#) announces a partnership with Uber Eats to provide delivery to 755 locations, seven days a week. The new service reflects Casey's active pursuit of offering more delivery options for its pizza and other prepared foods as well as Casey's brand products from chips to jerky to soda.

"We are uniquely positioned to deliver both prepared food items, like our pizza and cheesy breadsticks, as well as grocery items in one order, delivered to our guests front door," said Art Sebastian, vice president, digital experience, Casey's. "Casey's already delivers from about 1200 stores and this adds delivery service to nearly 103 additional stores."

Casey's has seen delivery demand nearly double since April 2019. Delivery hours will match each Casey's store kitchen hours from morning to night, seven days a week. Currently 365 items are available across 17 product categories leading with pizza and also offering, ice cream, drinks, everyday essentials, and more.

"By investing in and expanding delivery, we continue to bring Casey's to where our guests are and serve their needs. We are excited to serve more guests who prefer this convenient way of ordering their favorite snacks, pizza or grocery items any time," said Sebastian.

Guests can see if their hometown location is offering Casey's delivery through Uber Eats by visiting [UberEats.com](#) or downloading the app on iOS or Android. For the latest delivery deals and pizza information, visit [caseys.com](#) or download the Casey's app.
